

**Petition to Classify Orphan as  
an Immediate Relative****1. Eligibility.**

- A. Child.** Under immigration law, an orphan is an alien child who has no parents because of the death or disappearance of, abandonment or desertion by, or separation or loss from both parents. An orphan is also a child who has only one parent who is not capable of taking care of the orphan and who has, in writing, irrevocably released the orphan for emigration and adoption. A petition to classify an alien as an orphan may not be filed in behalf of a child in the United States, unless that child is in parole status and has not been adopted in the United States. The petition must be filed before the child's 16th birthday.
- B. Parent(s).** The petition may be filed by a married United States citizen and spouse or unmarried United States citizen at least twenty-five years of age. The spouse does not need to be a United States citizen.
- C. Adoption abroad.** If the orphan was adopted abroad, it must be established that both the married petitioner and spouse or the unmarried petitioner personally saw and observed the child prior to or during the adoption proceedings. The adoption decree must show that a married petitioner and spouse adopted the child jointly or that an unmarried petitioner was at least 25 years of age at the time of the adoption.
- D. Proxy adoption abroad.** If both the petitioner and spouse or the unmarried petitioner did not personally see and observe the child prior to or during the adoption proceedings abroad, the petitioner (and spouse, if married) must submit a statement indicating the petitioner's (and, if married, the spouse's) willingness and intent to readopt the child in the United States. If requested, the petitioner must submit a statement by an official of the state in which the child will reside that readoption is permissible in that state. In addition, evidence of compliance with the preadoption requirements, if any, of that state must be submitted.

- E. Preadoption requirements.** If the orphan has not been adopted abroad, the petitioner and spouse or the unmarried petitioner must establish that the child will be adopted in the United States by the petitioner and spouse jointly or by the unmarried petitioner and that the preadoption requirement, if any, of the state of the orphan's proposed residence have been met.

**2. Filing petition for known child.**

An orphan petition for a child who has been identified must be submitted on a completed Form I-600 with the certification of petitioner executed and the required fee. If the petitioner is married, the Form I-600 must also be signed by the petitioner's spouse. The petition must be accompanied by the following:

**A. Proof of United States citizenship of the petitioner.**

- (1) If the petitioner is a citizen by reason of birth in the United States, submit a copy of the petitioner's birth certificate, or if birth certificate is unobtainable, a copy of petitioner's baptismal certificate under the seal of the church, showing place of birth, (baptism must have occurred within two months after birth), or if a birth or baptismal certificate cannot be obtained, affidavits of two United States citizens who have personal knowledge of petitioner's birth in the United States.
- (2) If the petitioner was born outside the United States and became a citizen through the naturalization or citizenship of a parent or husband and has not been issued a certificate of citizenship in his or her own name, submit evidence of the citizenship and marriage of the parent or husband, as well as termination of any prior marriages.

Also, if petitioner claims citizenship through a parent, submit petitioner's birth certificate and a separate statement showing the date, place, and means of all his or her arrivals and departures into and out of the United States.

- (3) If petitioner's naturalization occurred within 90 days immediately preceding the filing of this petition, or if it occurred prior to September 27, 1906, the naturalization certificate must accompany the petition.

- (4) An unexpired U.S. passport initially issued for ten years may also be submitted.

**B. Proof of marriage of petitioner and spouse.**

The married petitioner should submit a certificate of the marriage and proof of termination of all prior marriages of himself or herself and spouse. In the case of an unmarried petitioner who was previously married, submit proof of termination of all prior marriages. **NOTE:** If any change occurs in the petitioner's marital status while the case is pending, the district director should be notified immediately.

**C. Proof of age of orphan.**

Petitioner should submit a copy of the orphan's birth certificate if obtainable; if not obtainable, submit an explanation together with the best available evidence of birth.

**D. Copies of the death certificate(s) of the child's parent(s), if applicable.**

**E. A certified copy of adoption decree together with certified translation, if the orphan has been lawfully adopted abroad.**

**F. Evidence that the sole or surviving parent is incapable of providing for the orphan's care and has, in writing, irrevocably released the orphan for emigration and adoption, if the orphan has only one parent.**

**G. Evidence that the orphan has been unconditionally abandoned to an orphanage, if the orphan has been placed in an orphanage by his/her parent or parents.**

**H. Evidence that the preadoption requirements, if any, of the state of the orphan's proposed residence have been met, if the child is to be adopted in the United States. If it is not possible to submit this evidence upon initial filing of the petition under the laws of the state of proposed residence, it may be submitted later. The petition, however, will not be approved without it.**

**I. A home study with a statement or attachment recommending or approving of the adoption or proposed adoption signed by an official of the responsible state agency in the state of the child's proposed residence or of an agency authorized by that state, or, in the case of a child adopted abroad, of an appropriate public or private adoption agency which is licensed in the United States. Both individuals and organizations may qualify as agencies. If the recommending agency is a licensed agency, the recommendation must set forth that it is licensed, the state in which it is licensed, its license number, if any, and the period of validity of its license. The research, including interviewing, however, and the preparation of the home study may be done by an individual or group in the United States or abroad satisfactory to the recommending agency. A responsible state agency or licensed agency can accept a home study made by an unlicensed agency can accept a home study made by an unlicensed or foreign agency and use that home study as a basis for a favorable recommendation. The home study must contain, but is not limited to, the following elements:**

- (1) the financial ability of the adoptive or prospective parent or parents to read and educate the child.
- (2) a detailed description of the living accommodations where the adoptive or prospective parent or parents currently reside.
- (3) a detailed description of the living accommodations where the child will reside.
- (4) a factual evaluation of the physical, mental, and moral capabilities of the adoptive or prospective parent or parents in relation to rearing and educating the child.

**J. Fingerprints.**

Each member of the married prospective adoptive couple or the married prospective adoptive parent, and each additional adult member of the prospective adoptive parents' household must be fingerprinted in connection with this petition.

***Petitioners residing in the United States.*** After filing this petition, INS will notify each person in writing of the time and location where they must go to be fingerprinted. Failure to appear to be fingerprinted may result in denial of the petition.

***Petitioners residing abroad.*** Completed fingerprint cards (Forms FD-258) must be submitted with the petition. Do not bend, fold, or crease completed fingerprint cards. Fingerprint cards must be prepared by a United States consular office or a United States military installation.

**3. Filing Petition for Known Child Without Full Documentation on Child or Home Study.**

When a child has been identified but the documentary evidence relating to him/her or the home study is not yet available, an orphan petition may be filed without that evidence or home study. The evidence outlined in Instructions 2A and 2B, however, must be submitted. If the necessary evidence relating to the child or the home study is not submitted within one year from the date of submission of the petition, the petition will be considered abandoned and the fee will not be refunded. Any further proceeding will require the filing of a new petition.

**4. Submitting an Application for Advance Processing of an Orphan Petition in Behalf of a Child Who Has Not Been Identified.**

A prospective petitioner may request advance processing when the child has not been identified or when the prospective petitioner and/or spouse are or is going abroad to locate or adopt a child. If unmarried, the prospective petitioner must be at least 24 years of age, provided that he or she will be at least 25 at the time of the adoption and the completed petition in behalf of a child is filed. The request must be on Form I-600A, Application for Advance Processing of Orphan Petition, and must be accompanied by the evidence required by that form. After a child or children are located and/or identified, a separate Form I-600, Petition to Classify Orphan as an Immediate Relative, must be filed for each child. A new fee is not required if only one Form I-600 is filed, provided the form is filed within one year of completion of all advance

processing in a case where there has been a favorable determination concerning the prospective petitioner's ability to care for a beneficiary orphan.

**5. When Child/Children Located and/or Identified.**

A separate form I-600, Petition to Classify Orphan as an Immediate Relative, must be filed for each child. A new fee is not required if only one form I-600 is filed and it is filed within one year of completion of all advance processing in a case where there has been a favorable determination concerning the beneficiary orphan.

Normally, Form I-600 should be submitted to the INS office where the advance processing application was filed.

The Immigration and Naturalization Service has offices in the following countries: Austria, China, Cuba, Denmark, Dominican Republic, Ecuador, El Salvador, Germany, Ghana, Great Britain, Greece, Guatemala, Haiti, Honduras, India, Italy, Jamaica, Kenya, Korea, Mexico, Pakistan, Panama, Peru, Philippines, Russia, Singapore, South Africa, Spain, Thailand, and Vietnam. A prospective petitioner who is going abroad to adopt or locate a child in one of these countries should file Form I-600 at the INS office having jurisdiction over the place where the child is residing or will be located unless the case is being retained at the stateside office.

However, a prospective petitioner who is going abroad to any other country to adopt or locate a child should file Form I-600 at the American embassy or consulate having jurisdiction over the place where the child is residing or will be located unless the case is being retained at the stateside office.

The case may be retained at the stateside office, if the petitioner requests it and if it appears that the case will be processed more quickly in that manner. Form I-600 must be accompanied by all the evidence required on the instruction sheet of that form, except that the evidence required by and submitted with this form need not be furnished.

**6. General Filing Instructions.**

- A.** Type or print legibly in ink.
- B.** If extra space is needed to complete any item, attach a continuation sheet, indicate the item number, and date and sign each sheet.

**C. Translations.** Any foreign language document must be accompanied by a full English translation, which the translator has certified as complete and correct, and by the translator's certification that he or she is competent to translate the foreign language into English.

**D. Copies.** If these instruction state that a copy of a document may be filed with this petition and you choose to send us the original, we may keep that original for our records.

## **7. Submission of petition.**

A petitioner residing in the United States should send the completed petition to the INS office having jurisdiction over his/her place of residence. A petitioner residing outside the United States should consult the nearest American embassy or consulate designated to act on the petition.

## **8. Fee. Read instructions carefully.**

A fee of four hundred and sixty dollars (\$460) must be submitted for filing this petition. There is a fifty dollar (\$50) per person, fingerprinting fee, in addition to the petition fee for each person residing in the United States and required to be fingerprinted. For example, if a petition is filed by a married couple residing in the United States with one additional adult member in their household, the total of fees that must be submitted is \$610. However, if a petition is filed by a married couple residing abroad, only the petition fee of \$460 must be submitted.

One check or money order may be submitted for both the petition fee and the fingerprinting fees. It cannot be refunded regardless of the action taken on the petition. **Do not mail cash. All fees must be submitted in the exact amount.** Payment by a check or money order must be drawn on a bank or other institution located in the United States and be payable in United States currency.

If the petitioner resides in Guam, the check or money order must be payable to the "Treasurer, Guam."

If the petitioner resides in the Virgin Islands, check or money order must be payable to the "Commissioner of Finance of the Virgin Islands."

All other petitioners must make the check or money order payable to the "Immigration and Naturalization Service." When a check is drawn on the account of a person other than the petitioner, the name of the petitioner must be entered on the face of the check.

If petition is submitted from outside the United States, remittance may be made by a bank international money order or foreign draft drawn on a financial institution in the United States and payable to the Immigration and Naturalization Service in United States currency. Personal checks are accepted subject to collectibility. An uncollectible check in payment of a petition fee will render the petition and any document issued invalid. A charge of \$30.00 will be imposed if a check in payment of a fee is not honored by the bank on which it is drawn. When more than one petition is submitted by the same petitioner in behalf of orphans who are siblings, only one set of petition and fingerprinting fees is required.
